## EDUCATION & TRAINING

### Full Stack JavaScript - School of Applied Technology </salt>

Intensive three month training program for full stack web development with a focus on TDD, mob programming, and applied learning.

### SheCode - Institution

DECEMBER 2020 - AUGUST 2021

During these 9 months, I studied ReactJS, Javascript, HTML, CSS, and completed some portfolios. I also learned how to work with APIs, how to use GitHub to commit and push my code, and how to eventually build and deploy my projects using Netlify.

### University of Culture and Arts - Tehran

October 2014 - July 2016

## WORK EXPERIENCE

### Baztab-e-Elm Educational Institute, Tehran-Iran - Educational planning, consult, and IT Instructor

MAY 2014 - DECEMBER 2019

During these years I was involved with various responsibilities ranging from counseling students who had left education for a while to re-start their educational path and plan for themselves, to teaching different courses such as Photoshop, CorelDraw, and ICDL. I could say that in general, I had more than 500 successful students.

### Moalem Institute, Tehran-Iran - IT Instructor

AUGUST 2012 - NOVEMBER 2014

Teaching how to make multimedia content using PowerPoint, PhotoShop, SWiSH Max, and Adobe Premiere tools as in-service courses to school teachers.
